2019-FNS-00253-F	Lippold, K.	10/11/2018	My FOIA request relates to the ABAWD waiver requests submitted by state agencies to FNS as part of administering the SNAP program (as described in 7 CFR §273.24(f)). I am requesting all of the FNS responses to ABAWD waiver requests ever submitted by state agencies (whether the response is approval, partial approval, or denial). An example of the type of document I am requesting can be found here: <http://www.masslegalservices.org/system/files/library/ABAWD_Waiver_approval.pdf>, pages 2-5. This document is an FNS response to a waiver request from Massachusetts in 2008; I am requesting these responses for all states and all years (from August 1996 to the present). I would prefer to receive the records in an electronic format if available. I understand that FNS has provided this information to academic researchers in the past, which will hopefully make the request easier to complete. Please let me know if you would like any further clarification. Thanks! (Date Range for Record Search: From 08/01/1996 To 10/01/2018)

2019-FNS-00473-F	Meckel, K.	10/23/2018	I am writing to request SNAP retailer redemption data for all SNAP authorized retailers for the period spanning from 2005 through 2017. The data would be annual, store level redemptions, exactly as requested by the Argus Leader. I will use this data for an academic study on investigating the role of SNAP revenue on store entry and related topics. I am not sure if the Argus leader suit only makes 2005-2010 available. If that is the case, this request should be for 2005-2010. (Date Range for Record Search: From 01/01/2005 To 12/31/2017)
2019-FNS-00477-F	Meckel, K.	10/23/2018	I am writing to request SNAP retailer redemption data for all SNAP authorized retailers for the period spanning from 1/2005 through 12/2017. The data would be monthly, store level redemptions, exactly as requested by the Argus Leader. I will use this data for an academic study on investigating the role of SNAP revenue on store entry and related topics. If only annual data is made available, then I would like to receive annual data instead for 2005-2017. If only a subset of these years are available (e.g., 2005-2010), I would like to request only those years. (Date Range for Record Search: From 01/01/2005 To 12/31/2017)
