2022-FNS-01645-F	1/12/2022	Tagami, K.	We are requesting the most recent USDA Food & Nutrition Service form FNS-13, Annual Statement of Income and Expenditures for the Hawaii DOE School Food Services Branch. We would like to obtain completed FNS-13 forms from school year 2020-21, as well as the prior 5 years in order to compare changes in expenditures and revenue over time. Our organization is currently calculating the labor to food cost ratios for USDA child nutrition programs (CACFP, NSLP, SBP, SFSP) for Hawaii. The USDA has stated that the FNS-13 form is the most reliable source of information for computing the ratio of food and labor to total costs. The HIDOE School Food Services Branch is the largest School Food Authority in Hawaii. This data will assist Hawaii-based organizations--in particular those operating reimbursable meal programs for children during after school and summer programs--in advocating for a higher per-meal federal reimbursement, thus helping them serve more children.

2022-FNS-01897-F	1/28/2022	Nayar, N.	Dear FOIA Officer, My name is Neel Nayar and I am a student at Solon High School. I am working on a school project related to government IT contracting and since this is a FOIA request, I thought it would be easiest to just request records related to your FOIA Office's IT contract information! I've reviewed your FOIA page, your annual report and the Chief FOIA Officer Report on the DOJ OIP website and additional information on FOIA.gov. At this point, I just need a few records to round out my research and finish my project this semester. Therefore, I would like to request the following records: 1. Your agency's previous (FY21) and current (FY22) contract for you FOIA case processing software with cost information included. I'm interested in what your agency expends on this line of business and am analyzing it vs. other agencies to get a sense of what the federal government expends on FOIA software solutions. 2. Any additional contracts and costs directly related to FOIA processing (for example, Adobe, Video/Audio redaction software, contract support). I understand that costs can more than just your FOIA case processing software and want to paint a complete picture with my research. 3. Your agency's Annual Budget for your FOIA team-looking for a total cost of operation. I have the FTE's and costs from your annual report; however, I'm looking for the actual budget item to add to the analysis. 4. Training materials on FOIA case processing. This could be PowerPoints, Handbooks, Job Aides, Videos, Guidebooks, etc. I'm interested in comparing how agencies train their FOIA Officers to work with FOIA software. Fee Waiver Requested: In accordance with Sack v. DOD, as a student using the requested records in furtherance of my course of study, I qualify for a full fee waiver and request that you waive all fees related to this request. I will also be happy to share my report with you when I'm finished if you think it would be helpful. I'm looking forward to working with you so please provide rolling releases as the records become available and

2022-FNS-01985-F	2/2/2022	Vatalaro, S.	This may seem an unusual request, but I am out of options. I was expecting a SNAP card in the mail. They say that they mailed it Dec 27, 2021. I need to track what has happened to it with USPS. In order to track it I need the address from which it was mailed. Calling the EBT people gets me answers like, "somewhere in Texas" and "we don't know, no one does" Clearly not true. All I want is the address. I have waited a long time to access my benefits and everyone I talk to does his or her best moron impersonation and then hangs up on me. Please help (Date Range for Record Search: From 12/07/2021 To 02/02/2022)
