Subject: ABAWDS

The purpose of this e-mail is a formal request to continue to waive the time limited eligibility provisions for Able-Bodied Adults Without Dependents (ABAWD) in the State of Indiana. Our intent is to proceed with an extension to cover all of FFY 2011 which is past the September 30, 2010 exemption period established by ARRA legislation.

ABAWDS do continue to be tracked through ICES as being under labor surplus and no further changes would be necessary in ICES.
