SNAP – Oregon Request to Amend and Extend Waiver #200039.

Attn: SNAP CPB Waivers

Attached is Oregon's request to amend and extend its waiver to exempt Able-Bodied Adults without Dependents (ABAWD) from the time limits under 7 CFR 273.24

Oregon is requesting to exempt Able-Bodied Adults without Dependents for a regional group of 33 contiguous counties based on the region's aggregate average unemployment rate of 7.0 percent, for the 24-month period from January 2014 through December 2015. All the reservation lands in Oregon are included in the 33 counties.

FNS Western Region has verified the supporting documentation for this request and recommends approval to extend Oregon's ABAWD waiver for eight (8) months from its current expiration date, from January 1, 2017 to August 31, 2017.

If you have any questions regarding the waiver request, please contact Jodi Schroeder at (415) 705-1358 or jodi.schroeder@fns.usda.gov

Sincerely,
