Re: Minnesota's Request for Renewal of Waiver Number 2160002

Dear Ms. Holzer:

Attached is Minnesota's request for our ABAWD waiver for FY 2019. All of the waiver data for this waiver was received from the Center on Budget & Policy Priorities. This is an extension of Waiver Number 2160002.

Based on the attached waiver data, Minnesota is requesting that this ABAWD waiver be approved for 30 counties and 11 reservations effective 10/1/2018 through 9/30/2018.

Thank you for having your SNAP Employment & Training Staff review and send all of this waiver information on to the National Food and Nutrition Service Office for their approval.

Sincerely,

(e-signed)

Kathy Bruen
