1. **Waiver Serial Number (if applicable):** 970125
2. **Type of request:** Amendment and extension
3. **Statutory citation:** Section 6(o) of the Food and Nutrition Act of 2008, as amended
4. **Regulatory citation:** 7 CFR 273.24
5. **State:** North Dakota
6. **Region:** MPRO
7. **Regulatory requirements:** Section 6(o) of the Food and Nutrition Act of 2008, as amended, provides that no able-bodied adult without dependents (ABAWD) shall be eligible to participate in the Supplemental Nutrition Assistance Program (SNAP) as a member of any household if the individual received program benefits for more than 3 months during any 3-year period in which the individual was subject to but did not comply with the ABAWD work requirement. Section 6(o) also provides that, upon the request of the State agency, the Secretary may waive the applicability of the 3-month ABAWD time limit for any group of individuals in the State if the Secretary makes a determination that the area in which the individuals reside has an unemployment rate of over 10 percent, or does not have a sufficient number of jobs to provide employment for the individuals.
8. **Description of alternative procedures:** The State of North Dakota is requesting to exempt able-bodied adults without dependents (ABAWDs) in 9 counties from SNAP time limits at 7 CFR 273.24.
9. **Justification for request:**
Under SNAP regulations at 7 CFR 273.24(f)(2), areas may qualify for an ABAWD time limit waiver if they have insufficient jobs. To support this claim, states may submit evidence that an area has an average unemployment rate for a 24-month time period that is at least 20 percent above the national average for the same 24-month period. 7 CFR 273.24(f)(6) provides that States may define areas to be waived.

The State of North Dakota seeks a waiver for a region of 9 contiguous counties based on its average unemployment rate that is 20 percent above the national average for the 24-month period of March 2016 through February 2018. The national average unemployment rate for this 24-month period was 4.5 percent; 20 percent above this was 5.4 percent. The region's unemployment rate was 5.4 percent for the same time period.
