Section 6(o) also provides that, upon the request of the State agency, the Secretary may waive the applicability of the 3-month ABAWD time limit for any group of individuals in the State if the Secretary makes a determination that the area in which the individuals reside has an unemployment rate of over 10 percent or does not have a sufficient number of jobs to provide employment for the individuals.

The state of Hawaii seeks a waiver for the counties of Kauai and Maui based on their average unemployment rates for the 24-month period of January 2021 through December 2023.
