

SCHOOL BREAKFAST PHOTO PROPS

Add fun and excitement to your school breakfast event by creating a photo booth station where students and staff can use creative props to enhance their photographs. The breakfast photo props in this kit include 40 comment bubbles, signs, pictures of breakfast foods, and other images.

★ Here's What You'll Need

- ☒ Team Nutrition School Breakfast Photo Props (Portable Document File (PDF) containing 40 props)
- ☒ 8.5" x 11" paper or white cardstock
- ☒ Scissors
- ☒ Glue or tape
- ☒ 40 photo prop sticks (you can use dowels, straws, sticks, pencils, etc.)

★ Instructions:

1. Save the file to your computer.
2. Open and print.
3. Cut out the props.
4. Color the props (if needed).
5. Glue or tape the stick to the back of each prop.
6. You can arrange for a photographer to take pictures or simply invite everyone to take selfies.

Be sure to follow your school's policies on taking and sharing pictures of students at school events.
