RE: SNAP – Colorado Request to Waive Able-bodied Adults without Dependents
Time Limit - Extension - Approval

Dear Ms. Harris-Wilson:

This is in response to the Colorado Department of Human Services' request for an extension of its waiver to exempt able-bodied adults without dependents (ABAWD) throughout the State from the Supplemental Nutrition Assistance Program (SNAP) time limit at 7 CFR 273.24.

The Colorado State agency has requested an extension of its current waiver of the ABAWD time limit. Colorado's current waiver is effective through September 30, 2015, and applies to all counties in the State except Arapahoe, Denver, El Paso, Fremont, and Logan Counties. Although Colorado is eligible to waive the ABAWD time limit throughout the State, it has chosen not to apply the waiver in those five counties. Colorado has supported its extension request based upon the State's qualification for extended unemployment benefits, a criterion for waiver approval provided by SNAP regulations at 7 CFR 273.24. The State has provided a copy of the Department of Labor's Emergency Unemployment Compensation (EUC) trigger notice 2013-49, effective December 22, 2013, showing that Colorado qualified for EUC, an extended unemployment benefit program. Following longstanding Food and Nutrition Service (FNS) policy, States can qualify for a 12-month Statewide waiver for up to 12 months after the trigger date. Based upon EUC trigger notice 2013-49, Colorado is eligible for a Statewide ABAWD time limit waiver from December 2014 through December 2015, which would extend the State's current ABAWD time limit waiver by 3 months.

FNS is approving Colorado's request to extend its waiver of the ABAWD time limit by 3 months, from October 1, 2015 through December 31, 2015. As requested by the State agency, this waiver extension approval applies to all counties in Colorado except Arapahoe, Denver, El Paso, Fremont, and Logan Counties. Please note that FNS has assigned waiver number 2150042 to this extension approval for tracking purposes. The detailed waiver response is attached. If you have any questions, please contact Kathie Herrman at Kathie.Herrman@fns.usda.gov.

WAIVER RESPONSE

1. **Waiver Serial Number:** 2150042
2. **Type of Request:** Extension
3. **Primary regulation citation:** 7 CFR 273.24
4. **State:** Colorado
5. **Region:** Mountain Plains
6. **Regulatory Requirement:** Federal regulations at 7 CFR 273.24 provide that no able-bodied adult without dependents (ABAWD) shall be eligible to participate in the Supplemental Nutrition Assistance Program (SNAP) as a member of any household if the individual received program benefits for more than 3 months during any 3-year period in which the individual was subject to, but did not comply with the ABAWD work requirements. Regulations at 7 CFR 273.24(a) provide that fulfilling the work requirement means: working 20 hours or more per week, averaged monthly; participating in and complying with the requirements of a work program or a workfare program for at least 20 hours per week; or any combination of working and participating in a work program for a total of 20 hours per week.

Under SNAP regulations at 7 CFR 273.24(f)(2)(ii), a State can qualify for a 12-month statewide waiver of the ABAWD time limit if the Department of Labor's Unemployment Insurance Service determines that the State qualifies for extended unemployment benefits. The Food and Nutrition Service (FNS) can approve a waiver if the State qualifies for extended benefits, regardless of whether the State has elected the option to offer the benefit itself. States that meet the extended benefit criteria can qualify for a 12-month statewide ABAWD waiver up to 12 months after the trigger date.

Emergency Unemployment Compensation (EUC) trigger notice 2013-49,
