RE: SNAP – Connecticut Request to Waive Able-Bodied Adults Without Dependents Time Limit – Modification – Approval

Dear Manager Giacomi:

This is in response to the Connecticut's agency's November 2, 2022, request to waive the SNAP time limit for able-bodied adults without dependents (ABAWDs). The attached waiver response includes the approved areas, the supporting evidence used, and the conditions of approval.

FNS also reminds the State agency that it must measure the 3-year period and track ABAWDs on a continuous basis, even in areas under a waiver. The State must continue tracking so that the State will be ready to transition off the waiver when it expires and reintroduce the time limit. Please contact your Regional Office representative with any questions.

Sincerely,

DocuSigned by:

- 4. State:** Connecticut
- 5. Food and Nutrition Service (FNS) Region:** Northeast
- 6. Section 6(o) and 7 CFR 273.24 also provide that, upon the request of the State agency, the Secretary may waive the applicability of the 3-month ABAWD time limit for any group of individuals in the State if the Secretary makes a determination that the area in which the individuals reside has an unemployment rate of over 10 percent, or does not have a sufficient number of jobs to provide employment for the individuals.
- 7. Requested Area(s) and Support:** The State agency supported its request based upon the State's eligibility for extended unemployment benefits, a criterion for statewide waiver approval provided by SNAP regulations at 7 CFR 273.24. According to the Department of Labor Trigger Notice No. 2021-48¹, effective December 12, 2021, the State qualified for extended unemployment benefits. The State agency supported its request based upon the State's 3-month average total unemployment rate (TUR) was: (1) 6.8 percent and (2) 271 percent of the 3-month average for the corresponding period in the second preceding year, making the State eligible for extended unemployment benefits.
- 8. FNS Action and Justification:** FNS is approving the State agency's request to waive the ABAWD time limit. The State agency's request meets the requirements for approval provided at 7 CFR 273.24(f) and relevant FNS guidance.
