Dear Mr. Kluxen:

Please accept this letter as notification of the District of Columbia's intention to suspend the time limits for able-bodied adults without dependents (ABAWDS) throughout the District through September 30, 2013. Reflective of the challenging employment situation facing SNAP customers in the District, the Department of Labor has qualified the District for extended unemployment benefits, as noted in DOL EC Trigger Notice 2011-52, effective January 8, 2012.

If you have any questions, please contact Deborah A. Carroll, Administrator of the D.C. Economic Security Administration, on 202-698-3900.

Sincerely,

David A. Berns
Director
