Waivers are generally approved for a period of 12 months. Implementation and expiration dates are not required to concur with the Federal fiscal year or quarter, and State agencies have the authority to discontinue an ABAWD time limit waiver prior to its expiration date. This document is updated each fiscal quarter, based upon active waiver approvals and status reports from State agencies.

Updated to show waivers in effect as of April 1, 2023. The Families First and Coronavirus Response Act provision that partially suspends the ABAWD time limit was in effect on April 1, 2023.
