Supplemental Nutrition Assistance Program (SNAP) – Hawaii Request to Waive Able-Bodied Adults Without Dependents Time Limit – Approval

Dear Mr. Nakasone:

This is in response to the Hawaii State agency's August 27, 2019, request to waive the SNAP time limit for able-bodied adults without dependents on the Island of Molokai from December 1, 2019, through November 30, 2020.

The State agency's request meets the requirements for approval provided at 7 CFR 273.24(f) and relevant Food and Nutrition Service (FNS) guidance. Therefore, FNS is approving the State to waive the time limit for a 12-month period as requested. The attached waiver response includes the approved areas, the supporting evidence used, and the conditions of approval. Please contact your FNS Regional Office with any questions.

As you may be aware, FNS has proposed regulations that would strengthen the standards by which areas can qualify for these waivers so that the statutory ABAWD work requirement is applied more broadly. The rule, once finalized, could change the qualifying areas and approval period for this waiver.

FNS also reminds the State agency that it must measure the 3-year period and track ABAWDs on a continuous basis, even in areas under a waiver. The State must continue tracking so that the State will be ready to transition off-of the waiver when it expires and reintroduce the time limit.

Moving forward, FNS will be taking actions to support the Administration's priority to provide able-bodied Americans a path to self-sufficiency. This goal requires that we establish a clear and mutual commitment to moving SNAP participants to meaningful employment.

Sincerely,

Miles Patrie
