Supplemental Nutrition Assistance Program (SNAP) – Illinois Request to Waive Able-Bodied Adults Without Dependents (ABAWDs) Time Limit – Initial – Approval

Dear Ms. Cully:

This is in response to the Illinois agency's February 9, 2022, request to waive the SNAP time limit for able-bodied adults without dependents (ABAWDs). The attached waiver response includes the approved areas, the supporting evidence used, and the conditions of approval.

FNS also reminds the State agency that it must measure the 3-year period and track ABAWDs on a continuous basis, even in areas under a waiver. The State must continue tracking so that the State will be ready to transition off-of the waiver when it expires and reintroduce the time limit. Please contact your Regional Office representative with any questions.

Sincerely,
