RE: Massachusetts FFY 2013 ABAWD Waiver Request

Dear Ms. Brathwaite:

Under 7 CFR 273.24(f) (2), a state can qualify for a 12-month statewide ABAWD waiver if the Department of Labor's (DOL) Unemployment Insurance Service determines it meets the criteria for extended unemployment benefits. The Food and Nutrition Service (FNS) can approve a waiver if the state's unemployment triggers the criteria for extended benefits, regardless of whether the State has elected the option to offer extended benefits. The DOL Trigger Notice 2011-52, effective January 8, 2012, indicates that the Commonwealth of Massachusetts met the extended criteria.

I am writing to notify you that the Commonwealth wishes to implement a statewide Waiver of the Able Bodied Adults Without Dependents (ABAWDs) Work Requirement Regulations for individuals residing in Massachusetts as a result of the Trigger Notice 2011-52. The Commonwealth of Massachusetts wishes to suspend the time limits on ABAWDs from October 1, 2012 through September 30, 2013.

Thank you for your consideration. Please contact me should you have any questions regarding this request.

Sincerely,

A handwritten signature in cursive script that reads "Phuoc X. Cao".
