**Supplemental Nutrition Assistance Program (SNAP) – Michigan Request to Waive
Able-Bodied Adults Without Dependents Time Limit – Initial – Approval**

Dear Administrator Sweeney:

This is in response to the Michigan Department of Health and Human Service's (DHHS) March 26, 2022, request to waive the SNAP time limit for able-bodied adults without dependents (ABAWDs). The attached waiver response includes the approved areas, the supporting evidence used, and the conditions of approval. This approval replaces Michigan's current Statewide ABAWD waiver approved for October 1, 2021, through September 30, 2022.

FNS also reminds the State agency that it must measure the 3-year period and track ABAWDs on a continuous basis, even in areas under a waiver. The State agency must continue tracking so that the State will be ready to transition off the waiver when it expires and reintroduce the time limit. Please contact your Regional Office representative with any questions.

Sincerely,

Section 6(o) and 7 CFR 273.24 also provide that, upon the request of the State agency, the Secretary may waive the applicability of the 3-month ABAWD time limit for any group of individuals in the State if the Secretary decides that the area in which the individuals reside has an unemployment rate of over 10 percent or does not have enough jobs to provide employment for the individuals.

Any request based upon unemployment rates must include data spreadsheets and supporting documentation.
