Supplemental Nutrition Assistance Program (SNAP) – New Mexico Request to Waive Able-Bodied Adults Without Dependents Time Limit – Approval

Dear Ms. Martinez:

This is in response to the New Mexico State agency's February 6, 2019, request to waive the SNAP time limit for able-bodied adults without dependents throughout the State from March 1, 2020, through March 31, 2020.

The State agency's request meets the requirements for approval provided at 7 CFR 273.24(f) and relevant Food and Nutrition Service (FNS) guidance. Therefore, FNS is approving the State to waive the time limit for a 1-month period as requested. The attached waiver response includes the approved areas, the supporting evidence used, and the conditions of approval. Please contact your FNS Regional Office with any questions.

FNS has finalized regulations that strengthen the standards by which areas can qualify for these waivers so that the statutory ABAWD work requirement is applied more broadly. All waivers in place on April 1, 2020 and thereafter must be approvable under the new regulatory standards. Therefore, State agencies must submit new requests for any areas the State agency wishes to waive beyond March 31, 2020. FNS will evaluate any such requests under the new regulatory requirements at 7 CFR 273.24(f). In addition to the request for a statewide waiver for the month of March 2020, the New Mexico State agency has also submitted a separate request to waive certain parts of the State beyond March 31, 2020. FNS is reviewing that waiver request and will respond separately to that request. Please contact your FNS Regional Office with any questions.

FNS also reminds the State agency that it must measure the 3-year period and track ABAWDs on a continuous basis, even in areas under a waiver. The State must continue tracking so that the State will be ready to transition off-of the waiver when it expires and reintroduce the time limit.

Sincerely,

Brian McCall
