Karen,
Nevada will be continuing with the ABAWD Waiver for FY 2011.
Thanks,

Subject: AN 10-16 FY 2011 ABAWD Waivers

We just received word today that States can send us an email to inform us of their intent regarding the ABAWD Waiver for FY 2011 and they do not have to do a formal letter.

Sherry, I apologize if you already started the letter process. We didn't have this direction the other day when you called.

Thanks, everyone

Karen
