Supplemental Nutrition Assistance Program (SNAP) – Nevada Request to Waive Able-Bodied Adults Without Dependents Time Limit – Partial Approval

Dear Mr. Fisher:

This is in response to the Nevada State agency's July 15, 2019, request to waive the SNAP time limit for able-bodied adults without dependents (ABAWDs) in 36 areas from January 1, 2020, through December 31, 2020. Although the State requested a 12-month waiver, the Food and Nutrition Service (FNS) is approving the waiver for 3 months due to new regulatory requirements governing the approval of ABAWD waiver requests at 7 CFR 273.24(f). The attached waiver response includes the approved areas, the supporting evidence used, and the conditions of approval.

FNS has finalized [regulations](#) that strengthen the standards by which areas can qualify for these waivers so that the statutory ABAWD work requirement is applied more broadly. All waivers must be approvable under the new regulatory standards by April 1, 2020. Therefore, if the State agency wishes to waive the SNAP time limit for ABAWDs in any areas beyond March 31, 2020, it must submit a new waiver request. FNS will evaluate any such requests under the new regulatory requirements at 7 CFR 273.24(f). Please contact your FNS Regional Office with any questions.

FNS also reminds the State agency that it must measure the 3-year period and track ABAWDs on a continuous basis, even in areas under a waiver. The State must continue tracking so that the State will be ready to transition off-of the waiver when it expires and reintroduce the time limit.

Sincerely,

Miles Patrie

Section 6(o) and 7 CFR 273.24 also provide that, upon the request of the State agency, the Secretary may waive the applicability of the 3-month ABAWD time limit for any group of individuals in the State if the Secretary makes a determination that the area in which the individuals reside has an unemployment rate of over 10 percent, or does not have a sufficient number of jobs to provide employment for the individuals.
8. **Requested Area(s) and Support:** The Nevada State agency requested to waive the ABAWD time limit in a total of 36 areas from January 1, 2020, through December 31, 2020. The State agency grouped 15 counties and 1 independent city for consideration as an economically tied, combined area. The State requested 20 reservation areas individually. The State agency supported its request based upon these areas having an aggregate average unemployment rate 20 percent above the national average for the 24-month period of May 2017 through April 2019. During this time period the national average unemployment rate was 4.0 percent; 20 percent above that rate is 4.8 percent. The unemployment rate for the requested areas (listed in the following tables) was at least 4.8 percent for the same time period.
