Supplemental Nutrition Assistance Program (SNAP) – Ohio Request to Waive Able-Bodied Adults Without Dependents Time Limit – Approval

Dear Mr. Anderson:

This is in response to the Ohio State agency's August 15, 2018, request to waive the SNAP time limit for able-bodied adults without dependents in 38 counties from October 1, 2018, through September 30, 2019.

The State agency's request meets the requirements for approval provided at 7 CFR 273.24(f) and relevant Food and Nutrition Service (FNS) guidance. Therefore, FNS is approving the State to waive the time limit in the areas for a 12-month period, as requested. The attached waiver response includes the approved areas, the supporting evidence used, and the conditions of approval. Please contact your FNS Regional Office with any questions.

FNS is reviewing its policies regarding waivers of the SNAP time limit for able-bodied adults without dependents. Moving forward, FNS will be taking actions to support the Administration's priority to provide able-bodied Americans a path to self-sufficiency. This goal requires that we establish a clear and mutual commitment to moving SNAP participants to meaningful employment.

Sincerely,

Sasha Gersten-Paal
