Supplemental Nutrition Assistance Program (SNAP) – Oregon Request to Waive Able-Bodied Adults Without Dependents Time Limit – Initial – Approval

Dear Program Manager Miles:

This is in response to the Oregon Department of Human Services' February 18, 2022, request to waive the SNAP time limit for able-bodied adults without dependents (ABAWDs). The attached waiver response includes the approved areas, the supporting evidence used, and the conditions of approval. This approval replaces Oregon's current Statewide ABAWD waiver approved for October 1, 2021, through September 30, 2022.

FNS also reminds the State agency that it must measure the 3-year period and track ABAWDs on a continuous basis, even in areas under a waiver. The State must continue tracking so that the State will be ready to transition off the waiver when it expires and reintroduce the time limit. Please contact your Regional Office representative with any questions.

Sincerely,

- 6. Requirement:** Section 6(o) of the Food and Nutrition Act of 2008 and regulations at 7 CFR 273.24 provide that no individual shall be eligible to participate in the Supplemental Nutrition Assistance Program (SNAP) as a member of any household if the individual received program benefits for more than 3 months during any 3-year period in which the individual was subject to but did not comply with the ABAWD work requirement. Section 6(o) and 7 CFR 273.24 also provide that, upon the request of the State agency, the Secretary may waive the applicability of the 3-month ABAWD time limit for any group of individuals in the State if the Secretary makes a determination that the area in which the individuals reside has an unemployment rate of over 10 percent, or does not have a sufficient number of jobs to provide employment for the individuals.
- 7. Requested Area(s) and Support:** The State agency requested to replace an approved Statewide waiver of the ABAWD time limit that expires on September 30, 2022 (WIMS Case 00002091), with a Statewide waiver of the ABAWD time limit through December 31, 2022. The State agency supported its request based upon the State's eligibility for extended unemployment benefits, a criterion for statewide waiver approval provided by SNAP regulations at 7 CFR 273.24. Any request based upon unemployment rates must include data spreadsheets and supporting documentation.
