

IMPROVING PAYMENT ACCURACY

FNS is committed to supporting states in their efforts to swiftly and effectively improve payment accuracy. The agency has already taken many actions to help states tackle payment errors at their root cause, including:

Meeting with state agencies in spring 2023 to **emphasize the importance of payment accuracy** and discuss corrective action planning.

Offering ongoing interactive **training opportunities on root cause analysis** and corrective action planning.

Issuing guidance to states on **corrective action plans**, which are due to FNS in August 2023.

Securing a contractor to **expand capacity for supporting states** in improving payment accuracy, including **facilitating peer-to-peer learning**.

Updating guidance on **payment accuracy best practices** to include more real-world examples.

Providing continual **technical assistance and resources** tailored to each state's specific challenges.
