Supplemental Nutrition Assistance Program (SNAP) – U.S. Virgin Islands Request to Waive Able-Bodied Adults Without Dependents Time Limit –Approval

Dear Ms. Bailey:

This is in response to the U.S. Virgin Islands State agency's December 30, 2020, request to waive the SNAP time limit for able-bodied adults without dependents (ABAWDs). The attached waiver response includes the approved areas, the supporting evidence used, and the conditions of approval.

On December 5, 2019, the Food and Nutrition Service (FNS) published the final rule, [*Supplemental Nutrition Assistance Program: Requirements for Able-Bodied Adults Without Dependents*](#) (84 FR 66782), which revises the conditions under which FNS would approve requests from States to waive the ABAWD time limit. The final rule's changes to waiver standards were scheduled to take effect as of April 1, 2020. However, the U.S. District Court for the District of Columbia vacated this final rule on October 18, 2020.

As a result, the previous waiver criteria published in the January 17, 2001, final rule, [*Food Stamp Program: Personal Responsibility Provisions of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996*](#) (66 FR 4438), is being used as the basis for any waiver approvals. Waivers approved under the 2001 standards will be in effect up until the date specified in the attached waiver response, or until the date at which new waiver standards become effective, whichever occurs earlier.

FNS also reminds the State agency that it must measure the 3-year period and track ABAWDs on a continuous basis, even in areas under a waiver. The State must continue tracking so that the State will be ready to transition off-of the waiver when it expires and reintroduce the time limit. Please contact your Regional Office representative with any questions.

Sincerely,
