**Supplemental Nutrition Assistance Program (SNAP) – Wisconsin Request to Waive
Able-Bodied Adults Without Dependents (ABAWDs) Time Limit – Initial – Approval**

Dear Ms. Mundy:

This is in response to the Wisconsin agency's August 20, 2021, request to waive the SNAP time limit for able-bodied adults without dependents (ABAWDs). The attached waiver response includes the approved areas, the supporting evidence used, and the conditions of approval.

A vacatur rule, [published on June 30, 2021](#), returned the regulations governing ABAWD waivers and discretionary exemptions to the previous waiver criteria published in the January 17, 2001, final rule, [Food Stamp Program: Personal Responsibility Provisions of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996](#) (66 FR 4438), as the basis for any waiver approvals going forward. The current regulations are available on the [Electronic Code of Federal Regulations \(eCFR\) website](#).

FNS also reminds the State agency that it must measure the 3-year period and track ABAWDs on a continuous basis, even in areas under a waiver. The State must continue tracking so that the State will be ready to transition off the waiver when it expires and reintroduce the time limit. Please contact your Regional Office representative with any questions.

Sincerely,
